Worship Services in the Sanctuary at St. Andrew's

The most recent Provincial Health Directives specify further limits on various public gatherings, however, there is no change as they apply to faith-based sanctuary services. We at St. Andrew's continue to be subject to a maximum of 30% of our full sanctuary capacity or approximately 130 people.

Attendance at our services has been about 40 people and we are excited about that. Many more are tuning in to the on-line delayed streaming of the services. Be assured that we continue to follow all health directives to ensure a safe and comfortable environment for all attenders.

I think we are all getting familiar with the new protocols when attending services. For brevity, I am just going to repeat key reminders.

- Note that face masks are required as you enter the building and make sure you use the hand sanitizer dispensers.
- Please enter through the Kingsway St. (east side) door. Only those with mobility issues who require use of the elevator will be allowed to enter thru the Oak St. entrance.
- As you enter, a Greeter will do a check off for registration. It is a requirement for us to keep a record of all attenders (including contact phone numbers).
- An Usher will escort you to a sanctuary seat. A seating plan has been developed to ensure appropriate social distancing.
- Appropriate exiting at the conclusion of the service is important. Ushers will assist in exiting one pew row at a time. Please confine your social interactions to outside the church doors, of course at an appropriate social distance.

We thank you for your cooperation.

THE PRAYER OF JESUS:

We will sing Moderator Richard Bott's version of The Lord's Prayer to the tune of **VU 333** - Love Divine.

God, Creator, in the heavens,
holy is your glorious name!
May your kingdom be among us;
your will lived, on earth, the same.
Give to each the food that's needed;
sins forgiven, as we forgive.
Lead us not into temptation,
from all evil your people save.
Yours the kingdom, yours the power,
yours the glory, now and always.
May we sing this song forever,
in our nights and in our days!
Prayer and praise our lips are speaking,
hearts together in one accord;
offering, now, our lives, our living;
you, Creator God, adored!

BLESSING:

*BENEDICTION (MV 84 vs 2)

**In you there is a vision, in you we learn to dream.
When all we see is desert may you be our living stream.
In you there is a future, in you we find our way.
When hope has shed its brightness may you show us a new day.**

Music this week

The solo and the anthem this week are in stark contrast. Nicolas was a fourth century bishop, born in Asia Minor, who was extremely devout, gave all his wealth to the poor, and was imprisoned under the Emperor Diocletian. "Saint Nicolas is a challenging work by English composer, Benjamin Britten. The short recitative, which will be sung by Nolan, is a strong plea to God to help us, as "we are all weak, sinful, foolish men"!

"The Rose of Sharon", text from the Song of Solomon" or "Song of Songs", is originally a song of earthly love. American composer, Matthew Armstrong, has inserted the phrase, "My precious Saviour from above" to change the context to spiritual love, which has provided us with a somewhat flimsy excuse to sing the piece! The plain of Sharon is in Israel, stretching from the central mountains to the Mediterranean. Over the ages it has been posited that Jesus could be "The Rose of Sharon", and the lily (rose?), his bride, but others strongly dispute the assertion. Suffice it to say, the music is beautifully lyrical and flowing, and we are happy to sing it for you this morning.
